SUNNYMEDE

WM. EDWIN CLARK

SUNNYMEDE

SHARON, MASSACHUSETTS

— VISITORS ARE WELCOME —  
TWENTY MILES FROM BOSTON

The following collection of one hundred of my "BEST" or "FAVORITE" *Gladiolus* contains most of the beautiful named varieties of Eugene N. Fischer; some of Clark Brown's; a considerable number of Kunderd's; a few of my own, and others that are beautiful. It contains many that have scored from 80 per cent to 93.6 per cent, according to the Symposium of the American *Gladiolus* Society completed in the fall of 1924, and published in the January, 1925, issue of the *Bulletin* of the American *Gladiolus* Society.
